

# Royal Wharf - The Clubhouse

## - Case Study

The Clubhouse at Royal Wharf is a multi-purpose gym and fitness complex, featuring a swimming pool and sauna facilities. xsign were appointed to carry out the sign design, manufacture and installation at this state-of-the-art facility.

Externally to the building, we feature 2mm brushed stainless steel lettering with an applied clear lacquer, utilising the clean Segoe font series. We also feature a double-sided rim and return, illuminated projecting sign with blackened steel and Ultra Efficient LEDs. Internally, we feature a vinyl wall graphic, window manifestations and a number of poster frames, in-keeping with the design of the space.
